WEATHERLog Rubric

The grade for the portfolio is determined by giving each section 1 to 4 points. Then multiply the number of points by the weight in the left hand column.

	Score 4 Points	Score 3 Points	Score 2 Points	Score 1 Point
	Portfolio is complete	Portfolio has one	Portfolio has two	Portfolio has more
Portfolio	with all activities	activity missing or	activities missing	than two activities
(10 points)	included and finished.	not finished.	or not finished.	missing or not
				finished.
