SKILL	SCORE	COMMENTS	GRADE
I described my design process clearly and accurately.			
I used complete sentences.			
I have three "hurricane proof" features.			
The shape of my drawing closely resembles my design.			
The dimensions are labeled on my drawing.			
I checked my measurements and they are in centimeters.			
The formulas are listed on my lab paper.			
I checked to make sure we had the correct formulas.			
Our calculations were checked for accuracy.			
My house withstood "strong", "high", "light" winds. (Circle the correct one.)			
My team worked well together. We shared our ideas and all played an equal role in the project.			
My station was cleaned each day and all materials were placed in the appropriate place.
